Caleb: Oh, man.
Caleb: Dude.
me: dude
Caleb: John Lock just friended me.
me: he tried to do so on Linked In for me
Caleb: He's a valuable contact to have.
me: business contact
me: he's a business colleague
me: so, as I was saying
me: called up this exec at a federal contractor called TASC
me: to ask him about this sinister-sounding Romas/COIN project
me: that he was doing with Aaron Barr
me: http://www.youtube.com/watch?v=kCpyJAOxnT0
me: people think "off the record" is like a magic talisman
me: that means you can't report on what they just said
Caleb: You sound skagged out.
Caleb: So what am I missing here?
me: http://wiki.echelon2.org/wiki/TASC
me: bout to fuck up some companies
